Johnny B. Goode

He used to carry his guitar in a gunny sack
And sit beneath the trees by the railroad track
The engineers would see him sittin' in the shade
Strummin' to the rhythm that the driver made
When people passed him by they would stop and say
Oh my that little country boy sure can play

Well his mama told him one day you will be a man
You will be the leader of a big old band
People gonna come from miles around
To listen to your playin' till the sun goes down
And one day maybe your name gonna be in lights
Sayin' Johnny B Goode tonight
