**Chords:** A D A E A

Way down in Louisiana down to New Orleans  
Way back up in the woods among the evergreens  
There stood a log cabin made of earth and wood  
Where lived a country boy named Johnny B. Goode  
Who never ever learned to read or write so well  
But he could play a guitar just like he's ringin' a bell  
A [Riff1]  
Go Go [Riff1]  
Go Johnny Go Go [Riff1]  
Go Johnny Go Go Go D [Riff1]  
A [Riff1]

Go Johnny Go Go

Go Johnny Go Go Go E [Riff1]

Johnny B. Goode

He used to carry his guitar in a gunny sack  
And sit beneath the trees by the railroad track  
The engineers would see him sittin' in the shade  
Strummin' to the rhythm that the driver made  
When people passed him by they would stop and say  
Oh my that little country boy sure can play

Well his mama told him one day you will be a man  
You will be the leader of a big old band  
People gonna come from miles around  
To listen to your playin' till the sun goes down  
And one day maybe your name gonna be in lights  
Sayin' Johnny B Goode tonight
