1 Proud Mary

intro, vers, refreng, intro, vers, refreng, intro, vers m/solo, refreng, intro, vers, refreng, refreng, ...

Chords: *intro:* G E G E G E D C C6 C D A; *vers:* A E F#,,; *refreng:* A (med to ganger *rollin' on a river*)

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of pain down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a river boat queen

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river
Rollin', rollin', rollin' on the river

If you come down to the river
Bet you gonna find some people who live
You don't have to worry 'cause you have [if you got] no money
People on the river are happy to give

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river
Rollin', rollin', rollin' on the river

2 Kokken Tor

4x vers, refreng, 2x vers, refreng, 2x vers, refreng, refreng m/solo

Chords: vers: D Bm D Bm A D F#m A; *refreng*: 3x A E F#m D, A E F#m A

[D]Dette hendte [Bm]meg en gang
[D]Jeg var p? en slags [Bm]resturant
[A]Sammen med min [D]kjæreste og hennes far, han var [F#m]sjømann [A]

Fra samme båt kom kokken Tor
Og satte seg ned ved vårt bord
Og denne historien den handler mest om ham

Da far og datter begynte å snakke privat
Ble jeg sittende som Tors kamerat
Og det virket som han ikke tålte å være på land

For plutselig viste han neven sin
Og sa "Du trenger mere disiplin"
Og jeg mislikte sterkt hans engasjement

Og Tor sa: [A]"Hei du jeg [E]elsker deg din [F#m]jæv[D]el.
[A]Du har så mye [E]sensuali[F#m]tet [D]
[A]Men snart skal du [E]få deg en på [F#m]try[D]net
[A]For stygge gutter er det [E]verste som jeg [F#m]vet" [A]

Tor sa at han elsket meg
Og Tor sa at han hatet meg
Og jeg prøvde å slippe unna øynene hans

Min kjæreste hadde nok et dårlig instinkt
Jeg prøvde å gi henne hint og vink
Men hun og faren snakket stadig vekk uten stans

Og Tor sa: "Hei du jeg elsker deg din jævel.
Du har så mye sensualitet
Men snart skal du få deg en på trynet
For stygge gutter er det verste som jeg vet"

Men endelig snudde faren seg og sa
"Hvordan går det med dere 'a?
Tor, du må'kke plage guttungen med preiket ditt"

Men kokken sa at vi hygget oss
Men nå måtte han kaste loss
Og takk for praten det var jaggu hyggelig gitt

Og jeg sa: "Hei Tor jeg synes du er en jævel
Du har'kke mye sensualitet
Du burde faen meg hatt deg en på trynet
Men det er vel allerede alt for sent"

3 I Saw Her Standing There

intro, 2x vers, bridge, vers, solo, bridge, vers

Chords: vers: C7 F7 C7 G7 C C7 F7 Fm7/Ab C7 G7 C7; bridge: F7 G7 F7

Well she was just seventeen and you know what I mean

And the way she looked was way beyond compare

So how could I dance with another oh,

when I saw her standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another

Oh, when I saw her standing there

Well my heart went boom when I crossed that room

and I held her hand in mine

Well we danced through the night

and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another

Oh, since I saw her standing there

Well my heart went boom when I crossed that room

and I held her hand in mine

Well we danced through the night

and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another

Oh, since I saw her standing there

Since I saw her standing there

Yeah, Well since I saw her standing there

Chords: *vers/refreng*: A D A E A

Husk: tighte gitarer som følger trommene.

Way down in Louisiana down to New Orleans
Way back up in the woods among the evergreens
There stood a log cabin made of earth and wood
Where lived a country boy named Johnny B. Goode
Who never ever learned to read or write so well
But he could play a guitar just like he's ringin' a bell

He used to carry his guitar in a gunny sack
And sit beneath the trees by the railroad track
The engineers would see him sittin' in the shade
Strummin' to the rhythm that the driver made
When people passed him by they would stop and say
Oh my that little country boy sure can play

Well his mama told him one day you will be a man
You will be the leader of a big old band
People gonna come from miles around
To listen to your playin' till the sun goes down
And one day maybe your name gonna be in lights
Sayin' Johnny B Goode tonight

15.1 The Story of Happy Birthday Song

The melody of the song "Happy Birthday to You" comes from a song called "Good Morning to All", which was written and compiled by the Hill sisters, Patty and Mildred J. Hill, in 1893. They are citizens of the United States. Patty was a kindergarten principal in Louisville, Kentucky. Mildred was a pianist and composer. But many people believe that the Hill sisters most likely copied the tune and lyrical idea from other popular and substantially Similar Nineteenth-century songs that predated theirs, including Horace Waters' "Happy Greetings to All", "Good Night to You All" also from 1858, "A Happy New Year to All" from 1875, and "A Happy Greeting to All", published 1885. The combination of melody and lyrics in "Happy Birthday to You", first Appeared in print in 1912, and there could have been even earlier.

Here are lyrics from the song "Good Morning to All"

Good morning to you,
Good morning to you,
Good morning, dear children,
Good morning to all

(Lyrics by Patty Smith Hill)

Believe it or not, this song is copyrighted from a hundred years ago. If you use this music in public in the US, you're meant to pay Time-Warner/AOL for each performance. They make 2 million US dollars a year from it. Naturally the two women who wrote the song are long dead. I imagine they never made a penny.
